Recommendations

Received   Given

Kumar G. · 2nd
System Engineer - Kubernetes | Docker| AWS| Linux at Commonwealth Bank
July 21, 2018, Kumar worked with Ahmed on the same team

Ahmed is a wonderful guy and great colleague, to work with. He is perfect team player anybody wish for. His knowledge of Network Management System like Anritsu Masterclaw, Ericsson OSS, Ericsson So-Em is appreciable. If i will ever get a chance, I will love to work with him again.

Ismail Fareed · 2nd
Leadership, Program/Project Management(PMP), BSS & Fintech, Charging, Cloud, 5G, IT and Technology Enthusiast
June 26, 2018, Ismail managed Ahmed directly

Ahmed is one of the hardworking and dedicated individuals I have worked with. He worked under my supervision in Ericsson Saudi and he is very self reliant and capable of handling assigned tasks in a very professional manner and always willing to accept new challenges. He would make an asset to a...

Saleh Fayyad · 2nd
Engineering Manager - Network Performance at Mobily
June 19, 2018, Saleh was Ahmed's client

I worked with Ahmad as part of my daily job in Mobily, he is very professional person, enjoys talented skills not only to handle daily tasks but also to create innovative ways to enhance the quality of job done like scripting and automation ...
